## MOUNT MARKHAM CENTRAL SCHOOL

### HALL OF FAME

As part of our twenty-fifth Anniversary Celebration in 1994-95, we instituted the Mount Markham Hall of Fame. The purpose of this program is to honor graduates from Mount Markham (or any of the three districts that comprise Mount Markham) who have distinguished themselves in a specific field of endeavor, in civic affairs, in humanitarian affairs, or in activities deemed by the Hall of Fame Committee to merit special recognition. It is our hope that this year's graduates see in these inductees people worthy of emulation. We believe the Hall of Fame will help develop a more positive climate and bring our community together in sharing the successes of our past graduates.

A committee of administrators, staff and community residents will select the inductees from nominations submitted by members of the public. To be eligible for consideration to the Hall of Fame, one must have been a graduate of Mount Markham Central, Bridgewater Central, Leonardsville Central or West Winfield Central. Selection is based on a point system with the following criteria :

- Peer recognition of competence in field
- Contribution to store of knowledge and culture
- Contribution to humanity
- Uniqueness of contribution
- Obstacles overcome
- Appeal as a role model

Nominees who are not selected for induction this year will have their applications kept on file for future consideration for five additional years.

A formal induction into the Hall of Fame will be held at graduation exercises in June. Honorees will receive a plaque etched with a brief description of their accomplishments. A duplicate plaque will be permanently housed in the Hall of Fame area at the auditorium entrance of the Mount Markham Sr High School.
