Immunizations or vaccines are shots that protect you from diseases that can make you sick or die. Children need vaccines when they are young and as they grow older. Adults need vaccines too.

Our Services

- We provide immunizations to children and adults (By Appointment Only)
- We provide immunizations counseling and education for patients of all ages
- We provide vaccines according to Advisory Committee for Immunizations Practices
- (ACIP) guidelines.

Cost

- Some vaccines for children
- There are cost for other vaccines
- We accept many different insurance plans
- Call us 315-798-5747 with questions
